

NORWEGIAN SCHOOL OF MANAGEMENT

Oslo, Norway

Grade & Credit Hour Conversion Scale

For semester programs, students must take the minimum load at Norway of 30 ECTS. Students are allowed to take less if they have the permission of the UIUC College of Business, but this is not recommended.

Students studying abroad are responsible for enrolling in the minimum number of required hours at the host institution. Students cannot take more than the maximum load without overload permission from the UIUC College of Business.

The normal load for the summer program is 7.5 ECTS, which equals 4 UIUC hours.

Hours (per course)

Norway	UIUC
