Madrid is the capital of Spain, the seat of the government and is the most important financial and cultural center in the country. It has the 3rd largest GDP in the European Union. It has been voted the 10th most livable city in the world. Madrid has modern amenities, but has retained a historic look. It is home to the Real Madrid soccer team. Madrid is also home to palaces, world famous museums, incredible plazas and parks.

The Universidad Pontificia Comillas is one of the top business schools in Spain. It is a private, Jesuit university located in downtown Madrid. It is famous for its prestigious international programs and partnerships.
