

Business Study Abroad Photo Contest

December 1st Deadline

The Business Study Abroad Photo Contest uses photography as a way to highlight the global experiences that are available through the College of Business. We invite you to submit photographs of places and people around the world while on an official University of Illinois study abroad trip. The photographs may be of landscapes, buildings, people, and, of course, College of Business students, staff, faculty, and alumni. Your photographs will be reviewed by a committee of staff and students. Selected photos will be enlarged significantly and will be printed, framed and displayed in the College of Business. Submitted photos may also be used in College of Business marketing materials.
